Hi Kim,

Here are example letters I sent in 2013, 2015 and 2019. I sent letters in 2017 to a smaller number of tribes we heard from when the draft permit was issued, but I don't have pdfs of the final letters for some reason. I will scan the OST letter and send it in a little while.

Hi Valois – thank you. In thinking about this, I only need a copy of one of the letters that we sent to the Tribes outside of R8 as long as those letters are largely the same. I'd need one of each, from when we originally offered consultation and then most recently when we offered consultation on the 2nd draft permits.

Thank you!! -Kim

Hi Kim,

Since there are so many letters, how about I save them in my I drive folder and send you the link? I will start moving the letters to the I drive.

Hi Valois – I meant to circle back to you on the letters that we sent to Tribes outside of Region 8 both prior to issuing the original Dewey Burdock draft permit, as well as the consultation letters we recently sent for the revised draft issuance as well.

Do you have copies of those letters, or did you already send those to me? I'm not finding both in my email. Let me know and thanks again! – Kim V.
